54	<i>Handling SEN Part A: Understanding & Identifying Students of Determination</i>	UAE Inclusive Education Policy (647/2020)	Self-paced, ~3 hours — Bilingual (EN/AR)
55	<i>Handling SEN Part B: Supporting & Teaching Students of Determination</i>	UAE Inclusive Education Policy (647/2020)	Self-paced, ~3 hours — Bilingual (EN/AR)
56	<i>Advanced Child Safeguarding & Protection (Level 3)</i>	Protection, Care & Guidance*	Self-paced, ~3 hours — English & Bilingual (EN/AR) versions available

SPEA Standard Reference

Full descriptor for each standard code referenced above.

Code	Standard Descriptor
1.2.2	Progress in lesson
1.2.3	Progress of different groups of students
1.3.1	Students' engagement and responsibility for their own learning
1.3.2	Students' interaction, collaboration and communication skills

Code	Standard Descriptor
1.3.3	Application of learning to the world & making connections
1.3.4	Innovation, enterprise, enquiry, research, critical thinking, and use of learning technologies
2.1.1	Personal development: Attitudes
2.1.2	Personal development: Behaviour
2.1.3	Personal development: Relationships
2.1.4	Personal development: Safe & healthy lifestyles
2.1.5	Personal development: Attendance & punctuality
3.1.1	Teachers' knowledge of subject
3.1.2	Lesson planning, learning environment, use of time & resources
3.1.3	Teacher–student interactions, use of questioning & dialogue
3.1.4	Teaching strategies to meet the needs of individuals and groups
3.1.5	Teaching to develop critical thinking, problem solving & independent learning skills
3.2.4	Use of assessment information to influence teaching and students' progress
4.2	Curriculum adaptation to the school's context
5.1	Health & Safety, including Child Protection
5.2	Care & Support

Total CPD modules to date: 47 (As on 17th August 2026)

This index will be updated as further modules are developed.

**Safeguarding is mapped to the school's Protection, Care, Guidance & Support standard. Please confirm the exact SPEA code reference in your current framework document, as it fell outside the original 12-standard list this index was built from.*
